## BLVD Steakhouse

At this Waco hotel, there’s no need to wander far to experience the flavors of Central Texas. Enjoy BLVD Steakhouse on-site, as well as a bar serving local craft beer, wine and specialty cocktails. Curating the perfect craft beer selection is a passion at Cambria hotels. That’s why we have a cicerone, or beer expert, who selects the local options on tap. The hotel also features a coffee bar and marketplace.
