## Hotel Herringbone

319 S 4th St, Waco, TX 76701 (254) 342-2220

Hotel Herringbone, a luxury boutique hotel in downtown Waco, presents a distinctive venue for those seeking a unique setting. The hotel's architecture, constructed from artfully reimagined shipping containers, provides a memorable backdrop that blends industrial design with opulent interior aesthetics. This design philosophy extends to its rooms and suites, which feature a wide array of design elements, creating a visually stimulating and engaging environment for discerning attendees.

Multiple dining options including Red Herring (fine dining), Song Bird (bistro), and Lucky Buck's (rooftop bar), and several bars like the Red Herring Bar and a rooftop bar with views of the Magnolia Silos. Key features include a live music venue, a ballroom for events, curated retail shops, free high-speed internet, complimentary evening wine hour, and rooms with upscale amenities.

For events, planners can utilize the 2,345 sq. ft. ballroom for formal sessions, or leverage multiple restaurants and outdoor gathering areas for an additional 15,000 sq. ft. The expansive rooftop bar offers city views, creating a social space for evening networking events or post-meeting wind-downs. The hotel's dedicated staff and the overall immersive, high-design atmosphere help cultivate a productive yet inspiring environment, aiming to make any special event held here a distinctive and successful occasion.
