## stayAPT Suites Waco

2340 Creekview Drive, Waco, Texas 76711 (254) 342-2112

Purposefully designed with attention to the details of everyday living, pet friendly stayAPT Suites Waco makes home feel a little less far away. Savor a meal that doesn't come in a to-go bag, get in a good workout, relax in front of a favorite movie, and enjoy peaceful, uninterrupted sleep.

They believe that being away from home shouldn't mean having to sacrifice all of its comforts – that's why each 500+ square-foot suite has a distinct living room with a sleeper sofa, a lounge chair, and a 55-inch television; a kitchen with a full-size stove, oven, dishwasher, microwave, and refrigerator; and a separate bedroom with a walk-in closet, separate TV, and workspace.

Don't let a busy travel schedule ruin your fitness routine. stayAPT Suites is equipped with a fitness facility with views of the courtyard. So you can return home looking and feeling as good as (or even better than) when you left.

stayAPT Suites Waco has a private, outdoor courtyard area featuring natural greenery, soft seating, a built-in grill station, and a fire pit – creating a welcoming spot to relax, socialize, or simply get a breath of fresh air.
